WILD ROUTE RESTAURANT GROUP

BY JEREMY & BEN GIBBS

From the Cape to Kwazulu-Natal, we were raised on farms throughout South Africa. It was on these farms that our love of the great outdoors and all that nature has to offer was born. This has evolved throughout our lives into a passion for food, and in particular for quality ingredients.

We've worked in restaurants throughout Europe but the call of home was always there. We chose the Garden Route because of its unspoiled natural beauty and its proximity to the bounty of the Klein Karoo.

By growing and maintaining our relationships with local suppliers throughout this region, we bring only the highest quality ingredients to your plate.
